

# St Paul's CE Primary School Pupil Premium

At St Paul's C of E Primary School, we believe that all our children have an equal entitlement, and should have an equal opportunity to:

- Develop imagination and creativity
- Acquire skills and abilities
- Have a love of learning

The school receives funding from the Government to support it in trying to meet this aspiration. This is known as the pupil premium.

Pupil premium is additional funding, from the government, provided to schools for supporting more pupils from low income families to ensure they benefit from the same opportunities as all other children.
