

Message from the Headteacher

It has been an absolute joy to welcome you all back to school. The children have settled in well into the new school year.

Harvest Service

We will be holding our Harvest Service in Church on Friday 13th October at 9.30am. There is space upstairs in church for parents to come and see and partake in the service. We hope to see you there. The service will be led by our ethos group and our vicar, Emma.

We are asking for donations of tinned and packaged foods for the harvest service. All donations will go to the Trussell Trust's [East Tameside Foodbank](#). We ask that any donations come into school from Friday 6th October. We will then take them to church on the day of the Harvest Service.

Flu vaccination

We wrote to you recently in regards to the scheduled intrahealth visit to school on Friday 7th December to deliver the nasal flu vaccination programme across the whole of school. **This vaccination can only be administered with your consent.** Consent is given via the link below. <https://nhslmms.azurewebsites.net/session/e3644979> this link is now open and will close on 30th November for clinical triage.

When you have clicked on this link there are contact details for intrahealth if you have any specific questions to ask them. You can also click on the following link for more information:

[NHS Flu information for parents and carers](#)

We ask that everyone completes this form. As well as an option to say you consent there is also an option for you not to consent. This information really helps intrahealth to be prepared for their visit. Thank you in advance for your help with this.

Attendance

Thank you once again for all your support with attendance. We do still have a number of late arrivals in the morning. Just a reminder that the school gates open at 8.40am. The children are brought into school at 8.45am and this is when school starts.

Thank you for all of your support in following our school uniform expectations. The children are looking really smart and ready to learn.
