

Message from the Headteacher

Sports Health and Fitness Week

Thank you to everyone involved in Sports Health and Fitness Week this year it was a really great week in school. The children have taken part in all kinds of activities, from the climbing wall to tri golf and from street dance to Freddy Fit. The children also looked at the amounts of sugar in different types of food and about making healthy choices in relation to this. We did unfortunately have to postpone sports day due to bad weather over a period of time. We have sent out via the school spider app the rearranged date for sports day which is, Monday 8th July, classes 1-4 at 9.15am and Classes 5-10 at 1.45pm. All classes to wear sportswear on this day instead of uniform. We ask that you provide a labelled bottle of water that the children can take out onto the field with them on sports day.

PTA

We are delighted that the PTA will be selling some refreshments on sports day for the adults who are coming to spectate. The PTA have also organized a fundraising event that is new to the school. This will be a 'Break the Rules' day. There will be a list of rules that can be broken, for one day only, that you can choose from. There is a cost for each rule broken and all monies raised will go towards being spent on the children. Money raised this year has been spent on things such as the Christmas Pantomime and subsidising the school trips we have had to MOSI, Park Bridge and Reddish Vale Farm. There will be a separate letter coming home about this fun fundraising day!

Parental Questionnaire

On the reverse of this newsletter is information about a parental questionnaire that is being carried out by the governing body of the school. I encourage you to complete this, as your feedback is very important to us.

Open Evening

On Monday 22nd July 3.15-4.15pm there is an opportunity for you to pop in to school. No appointment is needed. You can have a look through your child's books and also go and say hello to their teacher for next year. Please do come along with your children.

St Paul's Parent Survey 2019

We would like your feedback on how we are doing as a school. Please answer each of the questions below indicating for each comment whether you agree, disagree or are neutral. There are also two sections at the end of the questionnaire for you to add comments to, on the areas where you think we are doing well and those where you feel we could improve. Please note that if there are things you do not like, it's really helpful to suggest improvements or say why!
The Survey is being carried out by the Governing Body and we'd really appreciate your input. All answers will be anonymous. Thank you for your time.
