

Dear Parents /Guardians

Many of you may already be aware that one of our pupils, Molly, has recently been diagnosed with an extremely rare, neurological condition – Battens Disease.

We, as a school, would like to do a fundraising activity to help Molly fulfil one of her dreams on her bucket list.

Molly's family have set up a JustGiving page and we would like to contribute.

To read her story, please visit www.justgiving.com/crowdfunding/memoriesformolly

Molly's dream is to meet the Disney princesses... So...

Let's walk 499 miles to get Molly to Disney

We would like the children and staff to participate and **collectively** walk 499 miles -The exact distance from Stalybridge to Disneyland Paris, by completing as many laps of the school field as we can. It's a grand total of 3616 laps to hit the target! The event will take place week beginning Monday 15th July 2019.

We plan for it to be a fun activity with children collecting stamps on a card for each lap completed and we hope to raise funds by collecting donations, big or small, for taking part in the challenge.

Let's help make a dream come true!

Thank you for your support.
