This September the world's top teams and riders will be racing along roads near you in the OVO Energy Tour of Britain. Come and watch this year's final stage across Greater Manchester.

The OVO Energy Tour of Britain, the nation's biggest and most prestigious professional bike race, will be showcasing 120 of the world's best cyclists across eight challenging stages, and best of all it is FREE to attend.

Racing through all 10 boroughs of Manchester, this stage will see the peloton taking on a 165-kilometre route starting in Altrincham town centre and finishing on the iconic Deansgate in Manchester city centre.

Along the way Stage Eight includes almost 2,000 metres of climbing, taking in some of the areas most popular climbs with cyclists, including Werneth Low and the Rake at Ramsbottom.

Join us at the start of the stage to get up close to the riders before the final leg, or head into Manchester to see the finale and who is crowned the overall winner of the OVO Energy Tour of Britain.

Find out where you can get a road-side view for Stage Eight on Saturday 14 September, and when the riders will be passing here: tourofbritain.co.uk/stages/stage-eight
