

UKS2 Writing task

Week beginning 4.5.20

Good morning, we hope you are all well and staying safe!

Well done to those who handed in their stories last week - we thoroughly enjoyed reading them!
Take a look at some of them on the school website!

Professor Plum had been locked away in his laboratory for days now, barely even stopping to eat or drink.

He rested his left arm on the dusty pile of books scattered across his desk, and with his right hand he gently flicked the conical flask in front of him. The red and orange liquid inside coughed and spluttered as heat from the Bunsen burner excited it from below.

Professor Plum wiped his weary eyes; only the excitement of finally finishing the potion kept him awake. Just a few more hours, then it would be ready...

This week, we would like you to write a **set of instructions** for Professor Plum's new potion:

- Look at the **WAGOLL** for instructions and follow the structure carefully.
- What will your potion be for and what will it be called?
- Think carefully about your **punctuation and spelling** - use your wonderful editing skills to improve your work!
- Make your writing interesting by using a **range of fronted adverbs of time and interesting adverbs (ly)**.
- Try and join all of your wonderful ideas together using conjunctions such as **because, when, if, although, until, that**
- Present your writing either on a piece of paper or in the **exercise book** that some of you were given. Once you have finished, ask an adult to take a picture and send it to your teacher via your **Purple Mash class email account** by **8.5.2020**.

Have fun!
