

## Message from the Headteacher

### Farewells

This summer we will be saying farewell to three much loved staff who have been with us at St Paul's for some years. Mrs Seddon will be taking a retirement from teaching after 33 years at our school. She will have taught so many children over that time and maybe even some of our current parents. We will also be saying goodbye to Mrs Luckman who has been one of our amazing teaching assistants for just over 18 years. She will be retiring this summer, which we wish her all the very best with. We will also be saying another fond farewell to another of our amazing teaching assistants, Mrs Edwards, who has worked at the school for over 23 years. She will be setting off on new adventures which we wish her all the best in. We will greatly miss them all and it has been a joy and a privilege to have them as part of our team at St Paul's.

### Transition Day

On Thursday 7<sup>th</sup> July we will be having a transition day in school. Some of our current year will have already had their transition days but most of them will be visiting their new high schools on this day and also the day after the 8<sup>th</sup>. You should have received information from their new school about this. We wish our year 6 all the very best for these days.

For those children currently in reception through to year 5 they will spend the day with their new teacher on 7<sup>th</sup> July. There will be a letter about this coming home at the start of next week, so please keep an eye open for this. On the morning of 7<sup>th</sup> July, the children will line up with their usual teacher at their usual time at their usual entrance. You will also collect the children at the end of the day from their usual exit and teacher at their usual time. Once the children have come in to their usual class they will be registered and we will then all gather in the hall. From here they will go on to spend the day with their new teacher, before returning to their usual class at the end of the day.

### Photographs

The children will be bringing home the ordering information for their class photographs tonight. All orders are placed on line with the photography company. The photographic proof says that orders have to be made by 4<sup>th</sup> July. **The company have told us that the last day for orders is in fact 11<sup>th</sup> July.**

## Year 5&6 Performance

Just another reminder that on Thursday 14th July we will be holding an end of year performance called, 'School Daze.' There will be two performances one at 1.45pm and one at 6pm. Year 5&6 parents will receive two tickets for each performance, these will come home next week. The show will be being performed by our Year 5&6 children. Entry will be by ticket only. If you do not need any of the tickets, then please return them to school.

## Parking

For the safety of our children, if coming by car, please make use of the church car park across the road and do not drive down Richmond St or park on the yellow zigzag lines.

## Drumz Aloud

The children had a fantastic experience with 'Drumz Aloud' on the 27<sup>th</sup> and 28<sup>th</sup> June. The whole school from the reception class to year 6 got active and showed fantastic rhythm drumming along with their instructor.

## Active Angels

We have also now had our active angels sessions throughout school. The children really engaged with these sessions and had a great experience.

## School uniform

A reminder that earrings are not allowed in school as per the school uniform policy. Children should be coming to school in black shoes also and not trainers.
