Dear Parents / Guardians,

At St Paul's the mental health and emotional wellbeing of our pupils, as well as all of those within our school community, is incredibly important to us. We feel that it is essential to promote both academic and emotional intelligence within school, as well as within the wider community.

We would like to invite all pupils to not wear their school uniform on Monday 10th October but instead wear colours from the rainbow as a way of celebrating World Mental Health Day. This could be a uniform, a kit or outfit that makes you proud to be the person that you are.

On Monday 10th October will be doing activities that will promote mental health awareness and encourage emotional wellbeing, making the school mentally healthier, happier and stronger.

We are really looking forward celebrating this special day at St Paul's,

Thank you for your continued support,

Kind Regards,

Mrs L Forrest
